

The time table of Rosa's House of Culture

**Mondays: 18:00 Free Theatre (the project of free University)**

Activist experimental theatre of free self-taught. Structure - horizontal approach - libertarian, and the atmosphere - creative! The rest we are ready to discuss. Teach yourself, teaching each other, we reflect on the possibility of theatrical language and art as a whole, we are committed to the death of the dictator-director and actor freedom, write scripts, initiate projects and affirm them through the consensus of the whole team. Our art is bestowed to the people and calls for dialogue.

**Tuesdays: 11:00 Yoga with Maria Lukyanova**

Yoga as a body practices. not esoteric and with a clear a clear explanation of all the movements of all the parts of our body. Health and cheerful good spirit for all activists, artist and feminists

**19:00 Project discussions of the School of Engaged Art**

**Wednesdays: 19:00 Public Events**

**Thursdays: 12:00-20:00 Opens hours of Tzetkin Library (reading groups, presentations of the new books, public readings)**

**19:00 "Shvemy" sewing cooperative. Workshops on recycling clothing.**

The transformation of the old and / or unnecessary things into the interesting and suitable to wear. Why do we do it? - In order to critique the culture of excessive consumption (why buy new if you can breathe new life for the old things?), ecological point (do not throw away - recycle), creating a friendly atmosphere, communication, and support each other's learning (we can do something with his hands and we are not afraid of the sewing machine)

**Fridays: 11:00 Yoga with Maria Lukyanova**

**17:30 Free Theatre (the project of free University)**

**19:00 Film Club (screening and discussing activists films)**

**Saturdays: 14:00 English for Activists**

**19:00 Public events of the School of Engaged Art**

**Sundays: 13:00 Creative lessons for the kids**

**15:00 15:00 SAMBA BAND. Rehearsals.**

We are one of the cells of the "Rhythms of Resistance", international anti-hierarchical, anti-capitalist, and anti-racism network. Samba groups advocating for social and environmental justice. Samba band activists using music as a form of political protest. Rhythm of Resistance is for anyone who is faced with exploitation, discrimination and oppression and fighting with them.

**19:00            Activist Chorus**

The song can coerce to action may help to reflect on important themes. Our activist choir is based on the participation of all who are interested in such a way to "talk" with the public. We sing on topics that concerned us. The choice of songs, lyrics and performance style made collectively.

Also in the program of activities of House of Culture included programs organised in events style:

**- Peripheral Institute of Body studies ( a series of workshops of painting and reading texts related to gender issues)**

**- Tactical graphics workshop (organised in relation for the preparations of different protest campaign)**
